SOJOURNER TRUTH

"God picked up a handful of dust and form you like a man. You ought to know that Christ didn't make you just lay down like a hog or a dog and be no more to you. It is a grand mistake on you side. Jest keep the gate to you mind open and see more better into the future. You ourt to know that God didn intend for His Son to go through all what he did without the Good Spirit come to visit every man and woman."

Charles Williams
